

Subpart E—Reissuance of Grazing Permits

§ 161.400 What are the criteria for reissuing grazing permits?

(a) The Navajo Nation may prescribe eligibility requirements for grazing allocations within 180 days following the effective date of this part. BIA will prescribe the eligibility requirements after expiration of the 180-day period if the Navajo Nation does not prescribe eligibility requirements, or if satisfactory action is not taken by the Navajo Nation.

(b) With the written concurrence of the Navajo Nation, BIA will prescribe the following eligibility requirements, where only those applicants who meet the following criteria are eligible to receive permits to graze livestock:

(1) Those who had grazing permits on Navajo Partitioned Lands under 25 CFR part 167 (formerly part 152), and whose permits were canceled on October 14, 1973;

(2) Those who are listed in the 1974 and 1975 Former Joint Use Area enumeration;

(3) Those who are current residents on Navajo Partitioned Lands; and

(4) Those who have a customary use area on Navajo Partitioned Lands.

(c) Permits re-issued to applicants under this section may be granted by BIA based on the following priority criteria:

(1) The first priority will go to individuals currently the age of 65 or older; and

(2) The second priority will go to individuals under the age of 65.

(d) Upon the recommendation of the NPL District Grazing Committee and Resources Committee, BIA or Navajo Nation will have authority to waive one of the eligibility or priority criteria.

§ 161.401 Will new permits be granted after the initial reissuance of permits?

(a) Following the initial reissuance of permits under § 161.400, the Navajo Nation can grant new permits, subject to BIA approval, if:

(1) Additional permits become available; and

(2) The carrying capacity and stocking rates as determined under §§ 161.204 and 161.403 allow.

(b) The Navajo Nation must inform BIA if it grants any permits under paragraph (a) of this section.

§ 161.402 What are the procedures for reissuing permits?

BIA, with the concurrence of the Navajo Nation, will reissue grazing permits only to individuals that meet the eligibility requirements in § 161.400. Responsibilities for reissuance of grazing permits are as follows:

(a) BIA will develop a complete list consisting of all former permittees whose permits were cancelled and the number of animal units previously authorized in prior grazing permits. This list will be provided to the Grazing Committee and Resources Committee for their review. BIA will also provide the Grazing Committee and Resources Committee with the current carrying capacity and stocking rate for each range unit within the Navajo Partitioned Lands, as determined under § 161.204.

(b) Within 90 days of receipt, the Grazing Committee will review the list developed under § 161.402(a), and make recommendations to the Resources Committee for the granting of grazing permits according to the eligibility and priority criteria in § 161.400.

(c) If the Grazing Committee fails to make its recommendation to the Resources Committee within 90 days after receiving the list of potential permittees, BIA will submit its recommendations to the Resources Committee.

(d) The Resources Committee will review and concur with the list of proposed permit grantees, and then forward a final list to BIA for the reissuance of grazing permits. If the Resources Committee does not concur, the procedures outlined in § 161.800 will govern.

(e) The final determination list of eligible permittees will be published. Permits will not be issued sooner than 90 days following publication of the final list.
